Morning Games

In the event of a tie in a morning game, the winner will be the team: firstly with the lower number of wickets lost - and if the same, then the team with the lowest number of wides & no balls bowled - and if still the same, then by the toss of a coin.

Competition Points (Afternoon Finals Play Only)

Match Points:

- 1st Place 9 points
- 2nd Place 6 points
- 3rd Place 3 points
- 4th Place 0 points

In the event of a TIE in an afternoon game, the total match points are shared between the two teams.

Clubs tied on Final Points

Where two Clubs are tied on points at the end of the tournament, there will be a count back on all games played between the two Clubs during both the morning and afternoon games. If the result is still tied, then the Club losing the least amount of wickets over these games will be declared the winner. If the result is still tied, then the Club scoring most runs over these games will be declared the winner.
